

Ready for some
brain-twisters
on an
**international
scale?**

Be a CIA Analyst. Use your intelligence and critical thinking skills to protect your nation while building a great career. As an analyst, you'll be responsible for providing timely, insightful assessments to US decision makers and others in the intelligence community.

To qualify, you need a strong academic record and excellent communication skills. Two or more years of relevant analytical experience are desired.

Applicants must have US citizenship and the ability to successfully complete medical examinations and security procedures, including a polygraph interview. *An equal opportunity employer and a drug-free work force.*

For additional information and to apply, visit: www.cia.gov
